

Foundation Stage Curricular Goals at DEVORAN SCHOOL

We want our children to...

Communication and Language

- Express their ideas and feelings with confidence
- Ask lots of questions, be inquisitive
- Hold conversations back and forth with friends or adults in the setting

Personal, Social and Emotional Development.

- Develop warm and secure relationships
- Show kindness and empathy towards others
- Demonstrate independence, resilience and perseverance when faced with challenge

Physical Development

- Know and talk about the different factors that support their health and wellbeing
- Develop basic safety awareness, water skills and confidence
- Use small tools such as a pencil and cutlery effectively

Literacy

- Retell stories through play
- Enjoy reading and sharing a wide range of fiction and non-fiction books
- Read material that is consistent with their phonic knowledge
- Enjoy writing for different purposes such as making cards, tickets, lists, invitations and creating their own stories

Understanding the World

- Explore the natural world around them
- Know their own family tree
- Appreciate different religious and cultural communities from all around the world
- Care for an animal
- Grow a plant from seed

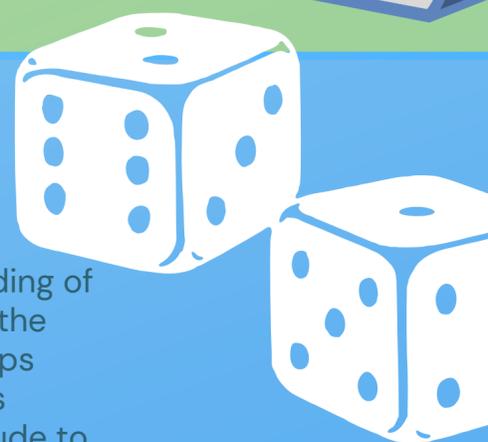

Expressive Arts and Design

- Sing songs, dance, tell stories and perform with their friends and to an audience
- Create, explore, experiment and then share their ideas and results

Maths

Number

- Have a deep understanding of number to 10, including the patterns and relationships between these numbers
- Develop a positive attitude to and interest in maths, not being afraid to make mistakes

Numerical Patterns

- Talk about and explore 2D and 3D shapes
- Identify and create simple and complex patterns

CURIOUS, COURAGEOUS & KIND
